

Accommodation in Prague

Prague offers world-class services at a reasonable cost. Prague's hotels and other amenities, mostly built in the last decade, can accommodate more than 70,000 persons and offer the highest standard. You can find any category of accommodation in Prague – from small charming boutique hotels, luxury hotels in former palaces and international chains to modern congress hotels. During the summer, visitors can also use budget student accommodation facilities.

Middle and high class accommodation is available directly at the congress centre and all other types are within about 20–30 minutes transportation. Discount for congress participants can be up to 30–50 % of standard prices in more expensive hotels.

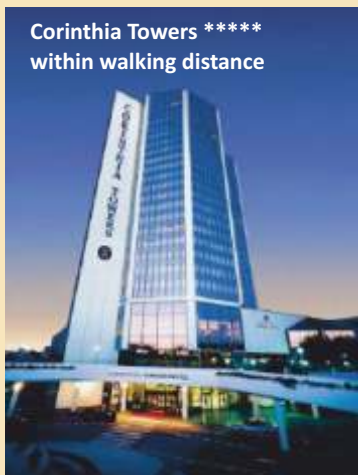

Of course, the participants can take advantage of many travel agencies in Prague and arrange accommodation independently.
