

Prague Congress Centre?

The Prague Congress Centre (PCC) offers a beautiful view of Prague's world-famous panorama of the castle, the river Vltava, and the historical centre with numerous spires, churches, palaces, ancient buildings, and large parks.

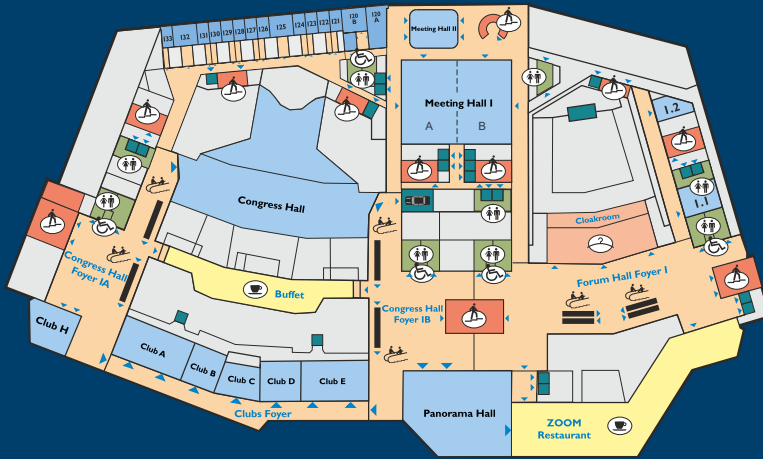

Open views from many places of the congress centre.

The centre provides a large variety of 20 halls and 50 meeting rooms on five floors with the capacity from 20 to 2,800 persons and exhibition space covering 13,000 m², the PCC is a prime venue for hosting all kinds of events for up to 9,300 participants and visitors. All premises are fully air-conditioned, equipped with modern congress and audiovisual technology and accessible to wheelchairs.

The PCC is located near the downtown, on the METRO (subway) line and the main highway. Underground parking places are available in the Centre as well.
